Additional Notes on Fees & Early Years Funding

- At Tiggers, we require a **minimum registration of 3 full days**, including a Monday or Friday
- Whilst the **Government funding** is structured for 38 weeks of the year (term time), our places are for 50 weeks of the year and so the funding is '**stretched**' over **11 months**. **No funding is applied in August**
- Additional charges apply only to the portion of your place covered by funded hours, and are reflected in the monthly breakdown above. Any additional private days will be charged at our standard all-inclusive ad hoc daily rate.
- All children aged **3 & 4 years old are entitled to 15 hours of government funded childcare** per week starting from the term after their third birthday (universal funding).
- **Tax Free Childcare** is a way to pay your childcare fees with additional support from the government. It can be used alongside both 15 & 30 hours of funding. For more: <https://www.gov.uk/tax-free-childcare>
- Families receiving funding may choose to opt out of additional charges – please speak with your Nursery Manager or our Admissions team for more information.

Families can assess their eligibility for funding and the application process by visiting the [Better Start in Life website](#).
